

## Ensuring Biodiesel Quality Throughout the Distribution System

August 15, 2007 8:30 a.m. – 4:30 p.m. (CDT)

Ed Jones Auditorium  
Ellington Agricultural Center  
440 Hogan Road, Nashville, TN 37220-9029  
Workshop registration fee: \$20 (limited to 100 seats)

Selling off-spec fuel can have serious consequences on your business and your customers. Make plans now to attend this biodiesel workshop.

This workshop is designed for **you** — whether you are a current biodiesel handler, new to the biodiesel field or just interested in knowing more about working with this clean, renewable fuel.

### Experts in the field will:

- Answer your questions about biodiesel
- Provide you with practical information for purchasing quality biodiesel
- Help you learn how to ensure the quality of the biodiesel that you sell

### Who should attend?

- Fuel suppliers
- Retailers
- Managers of centrally fueled fleets

### Hosted by

#### Governor's Interagency Alternative Fuels Working Group

Department of Agriculture, Department of Transportation, Department of Environment and Conservation

### Sponsored by

Tennessee Oil Marketers Association, National Biodiesel Board, Tennessee Soybean Promotion Council

### In partnership with

Tennessee Biodiesel Producers Coalition, Tennessee Trucking Association, East Tennessee Clean Fuels, Clean Cities of Middle Tennessee, West Tennessee Clean Cities Coalition
